(Date of Deposit)

corresponding Japanese patent application not more than three (3) months prior to the filing of the present Information Disclosure Statement. Also enclosed is the required fee for filing the Information Disclosure Statement pursuant to 37 C.F.R. 1.97(d)(2) and 1.17(p).

As noted above, the enclose Japanese publication was recently cited by the Japanese Patent Office in connection with a Japanese patent application corresponding to the presently pending United States patent application.

Applicant respectfully requests that the Japanese publication be considered and formally cited of record in connection with the present United States application as further generally illustrating the background state of the art.

Respectfully submitted,

Mark P. Stone
